

## My Happiness Box

This is your box of happiness- We all have different things that make us happy. This is your chance to choose things that make you happy. On the next page please list the items you would include in your box and explain why. The box can be as big as you like so you can include a pet or person as one of your items.

When you start at Moseley School you should be ready to talk about your Happiness box then. If you want to make or decorate the box in addition to the paper version you can do.

### **All about me**

We would love to know a bit more about you!

Firstly, get some ideas together. There are some headings which you could add your ideas to, but you don't have to use all of these. Start by jotting down notes under these headings in the ideas space, or on a separate piece of paper if you don't have a printer. You don't need to write in sentences here.

### **Who am I?**

What can you say about yourself – your name, personality, what you look like, where you come from? Tell us about your friendships.

Jot down your ideas here:

### **My family and pets**

**Your writing 'All about me'**

Now use your ideas to create a piece of writing. Do your best writing – either on a computer or written by hand if you can scan it in. The final piece of writing should be at least 400 words but no more than 750 words. Follow the instructions in the letter from your secondary school for sending your work to them.
