Dear Parents/ Carers,

We are really excited that we will be welcoming you to join us at Moseley School and Sixth Form in September. Because the school is closed to most students at the moment, your experience of moving from Year 6 to Year 7 will be a bit different to previous years.

You will be able to see videos on the school website of the most important people for you when you start at our school. These are people like your Head of House and House Pastoral Manager. Another group of people who might be helpful to you are the Special Educational Needs Team.

Lots of students at Moseley School and Sixth Form need some extra support with their learning and we are excellent at helping students to do really well in their learning and to enjoy participating in lots of different activities in school.

As well as supporting in lessons and doing extra work with small groups of students, there are also lots of clubs and activities running at lunch time and after school. These include:

- Number ninjas
- Art Club
- Tennis
- Cricket
- Reading
- Games club

We're always looking for new ideas so if there's a club you would like to see please let us know.

The people who might be helping you when you come to our school have each written a little bit about themselves so that you can recognise them when you arrive.

At Moseley School and Sixth Form, we are committed to safeguarding and to promoting the welfare of our students.

	In my spare time I love to bake, read, and make things for my friends. I run lots of clubs in the LRC (Library) at lunch times so come along and join the fun!	Things that are important to me are: My family and friends; playing sport and travelling; always trying my best; being thoughtful; helping students achieve their best and reading.
