Dear Parents/Carers

Congratulations on being offered a place at Moseley School and Sixth Form. We look forward to a strong partnership with you throughout your child's education at Moseley.

We hope your child will have seven happy and fulfilling years at Moseley School and Sixth Form. We pride ourselves on the fantastic progress students make not only with their academic studies but also with their character development too.

Moseley School and Sixth Form is a centre of excellence in character and scholarship; we have the highest aspirations for our students across the whole range of their curricular and extra-curricular work. At the heart of our school is our supportive, caring and challenging ethos. This ethos is fundamental in ensuring everyone works together and is supported and challenged appropriately to achieve their very best no matter their background or starting point. We pride ourselves in being a happy, safe, supportive school in the heart of the local community, where everyone aspires to achieve their very best.

At Moseley, we believe

- ✓ all students have the right to learn and all teachers have the right to teach uninterrupted by others.
- ✓ all members of our community deserve the right to access a curriculum that enriches their lives, supports their intellectual and personal growth through high expectation and challenge.
- ✓ all members of our community have the right to take risks with their learning, pushing themselves to achieve their very best in a happy, supportive and **compassionate** school.
- ✓ all members of our community have the right to have their progress monitored and be provided with regular constructive feedback connected to realistic, aspirational future goals.
- ✓ all members of our community deserve to be celebrated for their successes and rewarded for their **endeavour**.
- ✓ all members of our community accept that human beings have rights and deserve **respect** from others no matter their background.
- ✓ all members of our community expect high standards of behaviour at all times, and that individuals will demonstrate high levels of self-awareness and self-control in respect to their excellence in personal decision-making.

If your child appears to be the only student coming to Moseley from their primary school, please do not worry about this, there will be some additional opportunities for your child to get to know other students prior to their start date in September. You will receive more information about this after the Easter school holiday.

Please explore the Year 7 induction area on our school website to find a wide range of videos and resources to help you and your child familiarise with our fantastic school.

If you wish to refuse your place at Moseley School and Sixth Form please email school admissions AdmissionOfferRefusal@birmingham.gov.uk no later than 15th March.

Yours faithfully,

Andrew Bate
Headteacher
