## RE: Strike Action

Dear Parent,

You may be aware from media coverage that a teaching union has declared strike action which will take place on the following dates:

- Wednesday 1<sup>st</sup> February 2023
- Wednesday, 1 March 2023
- Wednesday, 15 March 2023
- Thursday, 16 March 2023

The strikes are happening because of a national dispute between the unions and the government over teachers' pay and not because of any issues at our school.

I am writing in order to give you as much notice as possible that learning may be disrupted on the above dates, and we recommend that you start to make alternative childcare arrangements for these dates.

### Wednesday 1<sup>st</sup> February 2023 – INSET Day

Previously we had informed you that Wednesday 1<sup>st</sup> February had been identified as an INSET day. I wanted to confirm that the INSET day will continue as planned and as a result we do not expect students in school on Wednesday 1<sup>st</sup> February.

External exams will run as planned and if your child has an external exam on this day, they should attend as usual in their full school uniform.

We are working closely with our staff union representatives to keep up to date with the situation and further updates about the remaining strike action will be sent to you as soon as we have them.

I'm sorry about any potential disruption to you and to your child's education. I understand that this situation may be frustrating and you may need to change your plans or working arrangements whilst this action is ongoing. We will of course continue to monitor the arrangements in place and make modifications where possible to provide and improve support for students wherever possible. If the situation changes and the matter is resolved without the need for strike action then we will confirm this as soon as we can and, in this eventuality, the school will be open as usual to all students.

Yours sincerely

Pp
