RE: Strike Action

Dear Parent,

You may be aware from media coverage that a teaching union has declared strike action, which will take place on the following dates:

- Wednesday, 1 March 2023
- Wednesday, 15 March 2023
- Thursday, 16 March 2023

The strikes are happening because of a national dispute between the unions and the government over teachers' pay and the unfunded pay pressures being placed on schools which will affect how many resources schools have in the future, and not because of any issues at our school.

I wrote previously in order to give you as much notice as possible that learning may be disrupted on the above dates, and recommend that you started to make alternative childcare arrangements for these dates.

Wednesday 1st March 2023

The striking Union and the Government have failed to reach an agreement and therefore the strike action that had already been announced for Wednesday will go ahead as planned this week.

We have carried out a risk assessment on the impact this will have on staffing levels in school. **Unfortunately Y7, Y8, Y9 and Y10 students will have to remain at home on Wednesday** as we will not have necessary staffing in school to provide their education.

Year 11, 12 & 13 mock internal exams will continue as planned and students in these year groups will be expected in. At the end of their afternoon exams Year 11 will be dismissed

At Moseley School and Sixth Form, we are committed to safeguarding and to promoting the welfare of our students.

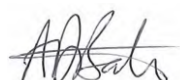

through Gate C, for the majority of students this will be at 12.25 and for the students studying triple science this will be at 1pm. Y12 and Y13 students will leave straight after their exam to return home.

We are also offering a small provision to accommodate key worker students. If you are a key worker and would like to take up this opportunity please contact Mr S Edwards via email: eds@moseley.bham.sch.uk

We are working closely with our staff union representatives to keep up to date with the situation and further updates about the remaining strike action will be sent to you as soon as we have them.

I'm sorry about any potential disruption to you and to your child's education. I understand that this situation may be frustrating and you may need to change your plans or working arrangements whilst this action is ongoing. We will of course continue to monitor the arrangements in place and make modifications where possible to provide and improve support for students wherever possible. If the situation changes and the matter is resolved without the need for strike action then we will confirm this as soon as we can and, in this eventuality, the school will be open as usual to all students.

Thank you for your continued understanding,

Andrew Bate
