14th February 2023

Dear Parents and Carers

We know that this is an important year for our year 11 students and so we are very happy to report that they have made a very positive start to the term following their PPE's.

Walking Talking Mocks – From 13th February

These are informal exams carried out in the hall to help guide students and build their exam skills.

PPE Exams - 27th February – 10th March

These are their second full set of internal exams. Students will sit exams in all of their subjects in the sports hall. These exams are important because the results of these will be used to inform students and staff of the final actions to take before the final examinations.

Important Information Regarding PPE's

Your son/daughter needs to be in school for 8.30am, go to form and be registered and then line up in their rows on the playground as per their timetable. Their row and seat number can be found on Edu link.

On exam days phones should not be brought into school as they are not allowed into the examination room. The school accepts no liability for any losses of phones in school. Once in the examination room no communication should occur. This includes talking, turning around and any other instances that can be interpreted as communication. Unauthorised equipment is not allowed in examination rooms, this includes watches of any kind.

All equipment should be brought in for all examinations as no equipment will be able to be given out. All pencil cases and water bottles should be clear. Pens should be black calculators should not have any backs on them. Paper copies of the PPE's will be given out next week via their Form Tutors. If students want to read their timetables electronically we would suggest using Edulink the night before and noting this.

Your continued support in your son/daughter's education is most important. Together, we can work to help your son/daughter achieve the highest possible success; therefore, I ask you to make every effort to support your child during this time.

If you require any further information, please do not hesitate to contact me.

K Harris

Assistant Headteacher

At Moseley School and Sixth Form, we are committed to safeguarding and to promoting the welfare of our students.
