Headteacher: Mr A Bate BSc NPQH

Dear Parents and Carers

We will be holding a Year 7 Curriculum evening on **Wednesday 5th October at 3.30pm until 5pm.** The event will be taking place in school, in the main hall.

The curriculum evening is a great opportunity to get lots of important and useful information about the learning journey that your children are following. The evening will consist of a presentation and an opportunity to meet with your child's tutor and our heads of faculty. We will guide you through a number of key areas throughout the presentation and suggest ways in which we can all effectively support your child's progress. This will include:

- An introduction from Mr Edwards our Deputy Head of Curriculum & Assessment.
- Miss Smith, Head of Year 7 will talk about how the year has begun from a pastoral perspective and outline our RAISE values.
- Mr Harris, Assistant headteacher in charge of curriculum & Assessment will talk about the curriculum and the subjects that your children are following.
- Mr Sharma, our learning technology leader will talk about the online learning platforms that students and parents can access.

We look forward to seeing you on Wednesday.

Kind Regards,

Mr S Edwards
Deputy Headteacher
Moseley School
