

Year 9 Progress Evening

Year 9 Progress Evening Wednesday 24th May

You are invited to the Year 9 Progress Evening on Wednesday 24th May 2023. This event will be taking place between 3.15pm and 5.05pm in the main hall.

It is very important that you attend, as you will receive an update on your son/daughter's progress. You will have the chance to meet with their subject teachers who will advise you on how we might plan together for your child's success. Furthermore, this is a valuable opportunity to ensure your child is fully prepared for the upcoming internal assessments, which begin on the 26th June.

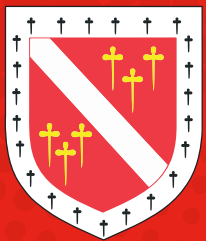

Please register at the desk on arrival and do not forget to collect your progress booklets where you can record the strategies, methods and targets for success that each class teacher will give you to help your child make even better progress.

We run a booking system for parents evening and so where possible please ensure that your child books an appointment with their class teachers however, we are aware that not everyone can get the appointment time that they need. If you cannot get an appointment please still come along and we will do our best to make sure that you see the teachers that you need.
